

LoEll's Standard Poodles Spay/Neuter Contract

Permanent ownership of this dog is contingent upon your compliance with this Addendum. Proof of the spay/neuter must be received by the (PURCHASER) within fourteen (14) days after the surgery. In the event that the dog's health does not allow this agreement to be honored, LoEll's Standard Poodles must be provided with a statement from your veterinarian that this dog is not yet in physical or emotional condition for surgery. Based upon the veterinarian's evaluation of this dog the (purchaser) will contact the veterinarian and establish the earliest date that the procedure can be performed. (PURCHASER) will notify the BREEDER of this amendment in writing, at which time all other conditions of this agreement will apply and be enforced.

This is the responsibility of the PURCHASER, not the veterinarian, to ensure that LoEll's Standard Poodles has received verification that the surgery has been performed. Failure to comply with this agreement by the date below, unless otherwise agreed to in writing, will be considered a breach of the Contract, and PURCHASER will transport this dog back to LoEll's Standard Poodles and will not be entitled to a refund.

By my signature below, I agree to have this dog spayed/neutered by no later than (DATE) and I understand that this spay/neuter agreement is an agreement that this dog will not produce a litter of puppies either as purposely bred or by accidental breeding. As a result of breeding a dog bought on limited registration or as a pet only, there's a fine of \$10,000 plus \$1,500 per puppy produced. To ensure proper growth, we do NOT allow our puppies to be altered BEFORE the age of 12 months old. As a result of spay/neuter before 12 months, our health guarantee is null and void. Contract allows owners to keep dog intact for up to 26 months of age. Registration papers will be given upon proof of alteration at the breeders discretion. I understand that if a dispute should arise, all settlements will be made in the venue of Christian County MO.
