

LoEll's Standard Poodles Spay/Neuter Contract

Permanent ownership of this dog is contingent upon your compliance with this Addendum. Proof of the spay/neuter must be received by the (PURCHASER) within fourteen (14) days after the surgery. In the event that the dog's health does not allow this agreement to be honored, LoEll's Standard Poodles must be provided with a statement from your veterinarian that this dog is not yet in physical or emotional condition for surgery. Based upon the veterinarian's evaluation of this dog the (purchaser) will contact the veterinarian and establish the earliest date that the procedure can be performed. (PURCHASER) will notify the BREEDER of this amendment in writing, at which time all other conditions of this agreement will apply and be enforced.

This is the responsibility of the PURCHASER, not the veterinarian, to ensure that LoEll's Standard Poodles has received verification that the surgery has been performed. Failure to comply with this agreement by the date below, unless otherwise agreed to in writing, will be considered a breach of the Contract, and PURCHASER will transport this dog back to LoEll's Standard Poodle and will not be entitled to a refund.

By my signature below, I agree to have this dog spayed/neutered by no later than _____, and I understand that this spay/neuter agreement is an agreement that this dog will not produce a litter of puppies either as purposely bred or by accidental breeding. As a result of breeding a dog bought on limited registration, there's a fine of \$10,000 plus \$1,500 per puppy produced. In order to breed, full registration MUST be purchased for an additional fee, whether that be to make doodles or purebred poodles. Buyer also agrees that should puppy not be altered by 18 months of age, that I will return said puppy back to LoEll's Standard Poodles with no refund.. You will receive your puppy's AKC papers via mail or a picture to register online (whichever works best for you) when LoEll's Standard Poodles has received proof of spay/neuter.

We do NOT allow puppies to be spayed/neutered until at least 12 months of age to ensure proper growth. If said puppy is altered before 12 months of age, that is a breach of contract and we will no longer guarantee the dog/puppy. Procedure must be done in between the ages of 12-18 months of age, no younger, no older.

I understand that if a dispute should arise, all settlements will be made in the venue of Christian County MO.
